

UNFPA-IASP Skill Development Workshops 2019
Kerala University, Thiruvananthapuram, Dec 12-14, 2019

The 40th annual conference of IASP will be held at *Kerala University, Thiruvananthapuram, during Dec 12-14, 2019* on the theme "Population, Nutrition and Development". With an objective of building the capacity of young population scientists, three skill development workshops would be organised during the conference, with technical and financial support of UNFPA.

Workshop 1: Ethical Aspects of Social and Behavioural Research

Key Resource Person : Dr Subrato Mondal/Dr Sushanta Banerjee

Key Learning Objectives:

- Understand the importance of ethical aspects of data collection
- Exposure to ethical principles
- Understand international ethical practices

Workshop 2: Data for Planning Policies for Elderly

Key Resource Person : Prof TV Sekher/Mr Mathew Cherian(TBC)

Key Learning Objectives:

- Importance of evidence based planning
- Key issues to be considered in policy planning for elderly
- Key data sources for various aspects of elderly
- Use of data for planning different types of services for the elderly

Workshop 3: Qualitative Research Approaches

Key Resource Person : Dr Ravi Verma /Dr U V Somayajulu

Key Learning Objectives:

- Difference between quantitative and qualitative research approaches
- Qualitative methods of data collection
- Tools of qualitative research

Selection and Participation

Each workshop would have 20 participants and the duration would be about 90 minutes, with 20 minutes for presentation by the resource person, 30 minutes for group work (by 4 groups), 30 minutes for presentations by the groups and 10 minutes for concluding remarks and discussion.

The opportunity to participate in the Skill Development Workshops is open to all those young participants (below 30 years of age) of the 40th annual conference whose papers are selected for oral or poster presentation. They need to indicate their preference to attend any one of the three workshops (with indication of order of priority) and send a note on the benefits of workshop participation in their current or future work (upto 300 words) to iasp.india@gmail.com by Sept 30, 2019. Travel support and local hospitality would be provided to these 60 participants.

UNFPA- IASP Skill Development Workshops, Dec 12-14, 2019

1 Name : Mr/Ms/Dr

2 Age :

3 Name of institution :

4 Address with mobile No and e mail id :

5 Are you a student/scholar : Yes 1 No 2

6 Title of paper accepted for Oral/poster presentation :
