

**39th Annual Conference of IASP
Banaras Hindu University (BHU), Varanasi, Uttar Pradesh
September 18-20, 2018**

Important information regarding Presentation of Papers

As you all are aware, the programme for the 39th annual conference at BHU is very tightly packed with workshops, plenary sessions and lectures. Hence, all the oral presenters are requested to confine their presentation to only 10-12 slides. The time for each presenter is likely to be around 10 minutes depending on the number of speakers in each of the technical session. It is suggested that the presentation should focus on the study objectives, methods and discussion on results.
