

UNFPA-IASP Skill Development Workshops 2018

Varanasi, Sept 18-20, 2018

The 39th annual conference of IASP will be held at BHU, Varanasi during Sept 18-20, 2018 on the theme "Population, Gender and Development". With an objective of building the capacity of young population scientists, three skill development workshops would be organised during the conference, with technical and financial support of UNFPA.

Workshop 1: Applied Research Methods in Evaluation

Key Resource Person : Dr Sanjay Kumar

Key Learning Objectives:

- Understand differences between basic research and evaluation
- Exposure to different evaluation designs
- Understand adaptation of research methods suitable for the evaluation studies

Workshop 2: Data for Urban Planning

Key Resource Person : Dr Devender Singh

Key Learning Objectives:

- Importance of evidence based urban planning
- Key issues to be considered in the urban planning
- Key sources of data sources for various aspects of urban planning
- Use of data for planning different types of services in urban areas

Workshop 3: Applied Business Research Methods or Use of Business Demography in Research

Key Resource Person : Dr U V Somayajulu

Key Learning Objectives:

- Understand the basics of business research
- Types of business research
- Role of Demography in business research
- Methods and tools of business research

Selection and Participation

Each workshop would have 20 participants and the duration would be about 90 minutes, with 20 minutes for presentation by the resource person, 30

minutes for group work (by 4 groups), 30 minutes for presentations by the groups and 10 minutes for concluding remarks and discussion.

The opportunity to participate in the Skill Development Workshops is open to all those young participants (below 30 years of age) of the 39th annual conference whose papers are selected for oral or poster presentation. They need to indicate their preference to attend any one of the three workshops (with indication of order of priority) and send a note on the benefits of workshop participation in their current or future work (upto 300 words) to iasp.india@gmail.com by July 10, 2018. Travel support and local hospitality would be provided to these 60 participants.

UNFPA- IASP Skill Development Workshops, Sept 18-20, 2018

1 Name : Mr/Ms/Dr

2 Age :

3 Name of institution :

4 Address with mobile No and e mail id :

5 Are you a student/scholar : Yes 1 No 2

6 Title of paper accepted for Oral/poster presentation :

7 Workshop you wish to attend : YOU CAN SELECT MORE THAN ONE, BUT INDICATE PREFERENCE – 1st, 2nd, 3rd, one can attend only one workshop
