

We are sorry to inform our members about the sad demise of Professor Moneer Alam formerly with PRC, IEG, Delhi. He passed away amidst his family members and friends in Aligarh, where he was taking treatment for cancer. Prof Alam contributed immensely to the field of Demography and population research. He was actively involved in research on ageing, for the past few years. As an active member of IASP, Prof Alam always played significant role in its activities. In the last annual conference at IEG, Delhi, he chaired a session on population ageing. IASP expresses deepest condolence to his family members. May his soul rest in peace.
