International Population Conference 2021

5-10 December

The IPC 2021 was held in virtual mode during 5-10 December -2021. The hon'ble minister for Health and Family Welfare, Government of India gave the welcome address on behalf of India wherein he congratulated the IUSSP and IASP for holding the conference despite the challenge of the Covid-19 pandemic.

In addition to India day sessions there were SIX Research Leader Sessions (sponsored Sessions) on behalf of the host country– Two by Population Council and one each by IIPS, UNFPA, Learning for Impact USAID Project) and IHAT. The following are the session titles:

Research Leader Session: Family Planning in India during FP2020: Progress and Lessons for FP2030 (Sponsored by the Population Council)

Research Leader Session: Ageing in India: Emerging Issues and Challenges Based on LASI (Sponsored by the International Institute for Population Sciences -IIPS)

Research Leader Session - Reaping the Benefit of the Demographic Dividend in India: Challenges, Opportunities and Policy Options (Sponsored by UNFPA)

Research Leader Session: Good Practices, Innovative Approaches and Challenges in Streamlining and Leveraging Interventions to Respond to the Corona Virus (Sponsored by Learning for Impact USAID Project)

Research Leader Session: Building Trust in India's Data Ecosystem: A Model of Change (Sponsored by the Population Council)

Research Leader Session - National and Subnational Investigation of the Drivers of Success in Maternal and New Born Mortality Reduction in India; Exemplars in Global Health (Sponsored by India Health Action Trust)

A large number of Indian participants got registered for the paper presentations -oral or poster. Initially there were about 140 requests for the registration fee waiver directly to the IUSSP and IASP-NOC has waived off the registration fee for all these participants. In addition to the above IASP-NOC received request from 70 participants for registration fee waiver either as paper presenter or as an ATTENDEE. In fact, whoever as an Indian participant made a request for fee waiver that has been met.
